

## TV, Televisions, CRT, LCD, Plasma and DVD Repairs - Service Overview

Roger Green Sound and Vision - Worthing - Our repair department started in 1980 in Roger Green's garage . Since the early days the repair department has gone from strength to strength and is still as busy today as it was when it first started.

Roger Green Sound and Vision is striving to ensure that their service experience is reliable and efficient. As one of the few certified Panasonic Digital Service Network (DSN) agents in Sussex and an official Sony Authorised Repairer for the South East their dedication to service and quality is recognised by some of the major players in the consumer electronics market.
